Thanks, Allison. I'm still scrambling around this morning, or else I'd try to call you. I think we're fine for the briefing this morning, but just wanted to let you know that I'm hunting down a few things on the issue that Alan has raised below.

So I'm confirming the following and am not sure if this is what's happening, but I think it is. **Ex. 5 - Deliberative**

Ex. 5 - Deliberative

Ex. 5 - Deliberative

We'll see if I get answers to these questions before the manager's briefing, but I think we have all the other major points for the briefing.

Thanks again for all your help in the thinking and writing for this! - Jenny

Hi Jenny--

Good work. Here are a few small suggestions.

Hope I didn't cause too many problems on the call last night. **Ex. 5 - Deliberative**

Hi Allison,

Since you're on East Coast time, I thought I'd send this to you tonight. Everyone else gets it tomorrow morning. If you have changes when I get in, I'll make them and send out to the rest of the group.

Your review of everything would be great, and I'd also appreciate you looking specifically at the language under Option A for enforceable vs. voluntary actions for approval.

Thanks,

Jenny
